

THE MANITOBA HABITAT HERITAGE CORPORATION

ACCOUNTING MANAGER

The Manitoba Habitat Heritage Corporation (MHHC) is seeking a motivated accounting professional to function as its Accounting Manager. In addition to having a CPA designation, the successful candidate will assume reporting and advisory roles in support of the MHHC management team

Reporting to the CEO, and as the senior member of MHHC's accounting team, the successful candidate will perform accounting and reporting functions tied to MHHC's financial management and information systems.

Qualifications:

- A CPA designation
- A minimum five years of accounting experience
- Ability to oversee and produce a full range of financial statements and reports
- Direct experience with annual budgeting and preparation of audited financial statements
- Direct experience with management accounting
- Competence in computerized accounting systems, preferably Great Plains Dynamics
- Advanced knowledge and use of MS Excel data spreadsheet
- Excellent organizational skills
- Superior written and oral communication skills
- Ability to supervise staff and work effectively within a team environment
- Knowledge of not-for-profit accounting and reporting an asset

A demonstrated interest in environmental conservation would be considered an asset.

Please forward your resume, which must include salary expectations, by October 16/20 to:

Business Manager
Manitoba Habitat Heritage Corporation
